	29,746,664	21,204,710
Value of collateral held at fair value	21,197,605	15,448,529

The value of collateral held was determined by reference to the wholesale value of motor vehicles held as collateral at date of loan origination reduced by 22.5% for each year since loan origination to the 30 June 2013. From the 1st of July 2013 the reduction rate of collateral held was increased to 32.5%.

The company may not have sufficient security over the borrower's assets to recover the full amount of the loan and/or interest repayments payable to it under the loan. In most cases, borrowers will provide their motor vehicle as security for their loan. If a borrower fails to make their loan repayments, the company may be forced to take possession of the motor vehicle. Normally, the company would seek to immediately sell the vehicle via wholesale second hand motor vehicle markets. Often motor vehicles are sold via wholesale second hand markets at significantly less than the price at which they are sold by car dealers. In addition, motor vehicles are depreciating assets, and therefore, the value of motor vehicles will also erode over time. Accordingly, if the company is forced to take possession of the motor vehicle and sell it on wholesale motor vehicle markets, the company may receive less for the vehicle than the amount owing under the loan.

6 FAIR VALUES OF FINANCIAL INSTRUMENTS

The carrying amount of the Group's financial assets and liabilities approximates their fair value. Loans and receivables after allowance for impairment and payables are considered to be a reasonable approximation of fair value.

The carrying amount of current borrowings approximates fair value as the impact of discounting is not significant. The fair value of financial liabilities for disclosure purposes is estimated by discounting the future contractual cash flows at the current market interest rate that is available to the Group for similar financial instruments.

7 SUBSEQUENT EVENTS

Subsequent to 31 December 2014, Investors Central Limited issued 1,680,000 redeemable preference shares for \$1,680,000. One million six hundred and eighty thousand dollars was received prior to 31 December 2014 and is included in the redeemable preference shares balance in Note 4. There were no other significant matters subsequent to the end of the half-year to 31 December 2014.

In Note 2, the directors also state, in accordance with Accounting Standard AASB101: Presentation of Financial Statements, that the financial statements comply with International Financial Reporting Standards.

Auditor's Responsibility

My responsibility is to express an opinion on the financial report based on my audit. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Independence

In conducting my audit, I have complied with the independence requirements of the Corporations Act 2001. I confirm that the independence declaration required by the Corporations Act 2001, which has been given to the directors of Investors Central Limited, would be in the same terms if provided to the directors as at the date of this auditor's report.
